Under Lease (the "Lease") dated October 6th, 1971, Pacific Car and Foundry Company, a Washington Corporation, leased to Burlington Northern, Inc. ("Lessee"), a Delaware Corporation, one 200,000 pound nominal capacity bulk and standard loading steel sheathed, Fiberglass interior re-frigerator car, Pacific Car and Foundry Company specification PC194, bearing road number NW 1X 6000 (the "Car"), for a term of one year commencing October 7th, 1971. The Lease has been recorded with the Interstate Commerce Commission pursuant to Section 202 of the Interstate Commerce Act on October 26, 1971, Recordation Number 6280.

Pacific Car and Foundry Company subsequent to the date of the Lease has merged into PACCAR Inc, a Delaware corporation, and PACCAR Inc (herein "Lessor") has succeeded to all rights of Pacific Car and Foundry Company, as Lessor under the Lease.

Lessor and Lessee desire to extend the Lease and provide for certain amendments to the Lease.

A G R E E M E N T S

NOW, THEREFORE, in consideration of the mutual covenants herein contained, Lessor and Lessee agree as follows:

(1) the Lease is hereby extended to October 7th, 1973, upon all terms and conditions of the Lease, as herein amended.

(2) Lessee confirms and warrants to Lessor the Car is currently in the condition and repair required by the Lease, and is in the possession of Lessee.

(3) Lessee recognizes that Lessor may from time to time request car loadings by other railroads upon whose lines the Car may be used as connecting lines or in the usual interchange of traffic, in order to gain Car experience and data respecting products which Lessee may not normally transport. Lessee agrees to cooperate with Lessor in permitting and facilitating such loadings requested by Lessor.

4. The lease, as herein amended, is hereby ratified and confirmed and remains in full force and effect.

5. This amendment shall take effect upon recordation hereof with the Interstate Commerce Commission.

Executed by duly authorized representatives of Lessee and Lessor as of October 26th, 1972.
